## s.a.tan-lord over all manmade calendars!

Rabbi Apostle Moshe Yoseph Koniuchowsky

I want to share something with you, which to me is fascinating and for some of you may provoke you not to dismiss biblical lunar Shabbats as “something new” or false. For those who claim it’s a “new doctrine” and therefore not to be trusted, it originated in Genesis chapter ONE, when a dark conjunction gave way to 6 week days followed by the first 7th day Shabbat. So if the account in Genesis chapter one is a NEW doctrine, then please read no further.

If you realize the reality that all times, all days, all seasons and all moadim are forever determined by the sun and moon and stars, then I want to share this with you.

In Yeshayahu-Isaiah when YHWH speaks of the methods and workings of s.a.tan to rule this present age, we read this in chapter 14 verse 13:

*13 For you have said in your heart-lev, I will ascend into the heavens-shamayim, I will exalt my –throne-kesay above the stars-cochavim of El: I will sit also upon the Mount of the Congregation-Mount of the Moadim-APPOINTED TIMES on the sides of the north.*

*Now the literal Hebrew:vatah amartah be-levecha, hashamayim ahaleh memaal, lecochvay el, ariym kesey, ve-eshev BE-HAR MOED beyarchetay tzaphon.*

OK what this literally means is that Heilel, the fallen crescent moon deity, s.a.tan, declared his desire and intentions to RULE as a MOUNTAIN, that in Scripture is symbolic of AUTHORITY. He declared his intention and authority to be the RULER-MOUNTAIN metaphorically speaking, of/over all MOEDS/MOADIM/FEASTS/SHABBATS/APPOINTED TIMES/FESTIVALS, FOUND AND LISTED IN LEVITICUS 23! He declared that he will sit in YHWH’s place/throne in order to confuse mankind to miss ALL the appointed times that YHWH the Creator requires of His disciples! s.a.tan decided to start with the 1<sup>st</sup> moed the weekly Shabbat.

**Why? Because it is the DOORWAY into a full and obedient Torah lifestyle, that is in its essence a creation ordinance, honoring the Creator. In order to accuse and destroy and DISHONOR the reality of the Creator, s.a.tan set out to destroy the Shabbat, the ordinance of creation week. How smug many remain, being sure that they are not amongst those that s.a.tan has deceived. After all, many affirm that they DO observe Saturn-Day/Saturday/ the true fixed day Shabbat. But if you believe Scripture, according to Isaiah 14:13, ALL moadim have been perverted! Do you think s.a.tan in his “love” for you and YHWH would leave the FIRST and most important one untouched by his nefarious undertakings?**

**The FIRST and foremost moed/appointed time is the weekly 7th day Shabbat! See Leviticus 23: 1-3:**

**1 And YHWH spoke to Moshe, saying,**

**2 *Speak to the children of Yisrael, and say to them, The moadim of YHWH, which you shall proclaim to be miqra kedoshim, even these are My moadim.***

**3 *Six days shall work be done: but the seventh day is a Shabbat-Shabbaton of rest, a miqra kodesh. You shall do no work in it: it is the Shabbat of YHWH in all your dwellings***

***Shabbats, weekly and annual MUST be determined by the phases of the MOON, the heavenly timepiece! Psalm 104:19- He created the moon for moadim: the sun knows it's going down.***

**According to Isaiah 14:13 the way s.a.tan rules all nations TODAY is via false, substituted, widespread usage of calculated manmade calendars! He has ascended over mankind and ceased dominion by lording his false times (Daniel 7:25). Now since this is s.a.tan's declared intention and plan, don't you think you owe it to yourself to question everything you have been taught as it relates to what we assumed about time, most of which is handed down Roman Greek tradition in different and varied guises?**

**The original Hebrew here is shocking, unveiling s.a.tan's plan by which he rules the earth, all peoples, and all religions, TODAY as the god of this world! Fortunately, a redeemed remnant is coming into the Light little by little; one family from a city and 2 from a village!**

**To finally come to the Light and remove yourself from the stranglehold of s.a.tan sitting as THE authority over times and seasons (given to him by Adam and Eve in the fall) please make it a priority to study all articles and links at:**
